ENTERTAINMENT THROUGHOUT THE DAY

Celebrating 5 years, the Olvera Street Muertos Artwalk brings together over 40 artists from the greater Los Angeles community selling original artwork, jewelry, accessories, clothing, face painting & more. Shop small and shop local by supporting these artists, and the merchants on Olvera Street. This family friendly event is open to all, and helps to create awareness about the traditional events hosted each year by the Olvera Street Merchants Association Foundation.

We look forward to seeing you at the Artwalk and other upcoming events!
